IF WE WORK UPON MARBLE IT WILL PERISH. IF WE
WORK UPON BRASS, TIME WILL EFFACE IT. IF WE
REAR TEMPLES, THEY WILL CRUMBLE INTO DUST.
BUT IF WE WORK UPON MORTAL SOULS, IF WE
IMBUE THEM WITH PRINCIPLES, WITH THE JUST
FEAR OF GOD AND THE LOVE OF FELLOW MAN, WE
ENGRAVE ON THOSE TABLETS SOMETHING WHICH
WILL BRIGHTEN ALL ETERNITY.

Dedication

B.C.'s Piece Of The Rock

Has B.C. bought into Prudential Life Insurance? Hardly, but it does have a 'piece of the rock' in the person of Dr. Gene Hovee. More than one co-worker has referred to him as being "solid as the Rock of Gibraltar." And well might he be, for he holds down one of the most important and difficult positions in our Bible College family, that of Director of Student Services.

For three years now, Dr. Hovee has headed this department in living up to its name; being a service to students. He entered Student Services at a time of change, when it needed not only steadiness, but also leadership, organization, and spiritual guidance. He has provided this, and more, and for that we express our appreciation.

To understand the contributions of Dr. Hovee, we must know more of the man himself. A second generation Norwegian, he grew up in Oregon. Following his graduation from college and his marriage to the former Miss Jodi Sanders, Dr. Hovee pastored churches in California and Oregon. He moved to Illinois to study for his doctorate, which he received from the University of Illinois in the field of Rhetoric and Public Address. Then in 1967 he joined the B.C. family, teaching Bible and Homiletics. Then, three years ago he accepted his present position in Student Services while continuing to teach one or two courses per semester.

But there is much more to what Dr. Hovee has done than just this list of accomplishments. He is a man who has provided leadership by being an example. At work he often has opportunities to let his own spiritual life shine. His relationship with the Lord is not a flashy one, not one likely to demand immediate recognition, but it shows through in practical ways as he meets with other college officials, his staff, and speaks to students. As one person said, "Dr. Hovee is probably the most secure person I have met."

Dr. Hovee has another family besides that of the college, and to him his family comes first. This is seen by the fact that his family looks up to him as much or more than do his co-workers, and that is saying a lot. Mrs. Hovee is known to most of us, especially with her work in the cafeteria until this past year. Larry and Julie are both college students, Larry at Ball State and Julie here at B.C. Whenever possible the family does things together. Probably the most enjoyed is going water skiing together, something that Dr. and Mrs. Hovee are especially good at.

Dr. Hovee's love and dedication to God certainly have been demonstrated to us as a college family. These can be seen in his personal life, in his own family, and in his continued service as Director of Student Services. Because of this it is especially fitting to dedicate this year-book to him . . . B.C.'s 'Piece of the Rock.'

Barry Burnside becomes exchange student

Barry Burnside, a junior in pre-seminary studies from Sturgis, Michigan has gone to Jamaica Theological Seminary under the sponsorship of the Bible College through the Missions Department and under SMF, the Student Missionary Fellowship. While studying in Jamaica, Barry will have some unique opportunities to live and share with students and faculty from all around the West Indies — Jamaicans, Haitians, and Guyanese.

The Seminary has a relatively small body of approximately forty students, so Barry will be able to become well acquainted with his new fellow students and to learn how the West Indian thinks. Opportunities to minister in the churches of Jamaica through playing his guitar, singing, and preaching the Word will allow Barry to share his testimony.

Intramural program

The 1975-76 edition of the Fighting Falcons didn't fulfill all of the team goals which they had set for this season. However, none of them are too disappointed. The reason: the Falcons captured the "big one"—a national championship (NCCAA, Division II).

Overcoming a slow start (2-4), the Falcons conquered their next three foes, and coasted into the Christmas break with more wins than losses. Returning to the hardwoods with great anticipation, the team won nine of their last thirteen regular season games, good enough for second place in the NCCAC. A disappointing third place finish in the NCCAC tournament caused the Falcons to grit their teeth in determination. "The big one"—the opportunity to be the best Bible college basketball team in the nation—was at hand.

The FWBC Falcons converted their ultimate dream into a super reality. The agonizing "strolls" through Foster Park, and the daily discipline of practice and preparation had certainly paid off. For the seniors, the "thrill of victory" will be a lasting satisfaction. For the rest, the privilege of being a champion will not be easily surrendered.

Reminisce With The Class Of 1976

The Junior Class presented an evening of Reminiscing for the Senior Class at Goeglein's Reserve on April 23, 1976. Paulette Smith and Jeff Hoffman for a brief moment became Shari Belcher (Jones) and Larry Lewis on a park bench reminiscing over the years. Baby slides of the seniors along with a commentary on each opened the program.

An after-banquet party was held at the house of Harold Palmer.

Then ten members of the Junior Class acted out a skit of the four years of college experiences and future anticipations of what life would be like for the seniors. Last on the program, Mark Twain, Hannibal Frederick of Concordia Senior College, told the audience of the most hilarious story that he had ever heard. After the banquet the homes of Gale Rickner and Harold Palmer were open to students who attended for relaxation.

Regeneration and Free Spirit Come to F.W.B.C. Campus

Free Spirit is a group of ten college-age young people who are dedicated Christian musicians. These group members give one year of time and talent to present concerts to high school and college campuses, civic groups, service clubs and appear on television and radio. B.C. was especially glad to have them appear on campus because former student, Gary Cline was a member of the group.

Allegiance, the 1976 Youth Conference was held the weekend of April 9,10,11. The theme which Jack French challenged the attenders with was their allegiance to the Lord, the Lord's Word, the Lord's Work and the Lord's World.

Jack French is the pastor of Yale Trinity Missionary Church in Yale, Michigan as well as an evangelist for the Missionary Church. He has served for five years as a missionary in Brazil. Mr. French is quite involved with youth activities such as camps, retreats and conventions.

This past year was a very special year for cakes. Carson made cakes for special occasions which added a new dimension to holiday meals. By this means Carolyn Roussey, a cook and chief cake decorator, expressed her talent of decorating cakes. One of the most memorable cakes was the basketball cake which had the names of all the players and cheerleaders written on it. A special steak dinner accompanied the celebration of winning the NC-CAA championship. The student body expresses a special thanks to Carson and the cooks for the time and effort they have put in to make the meals attractive and special by adding the decorated cakes.

The FWBC Women's Auxiliary strives to meet the student and school needs. The women provide needed curtains for dorms, give scholarships, hold bazaars and meet the needs on campus which otherwise might not be met. The scholarships which are given are funded by membership dues. This year Jennifer Thornton, a junior in Elementary Education and Donald Deighton, a sophomore in Pastoral Ministries were awarded \$100 scholarships. They were presented to the students by Mrs. Herbert Kiessling, the Scholarship Chairman, at the fall meeting. By this means the FWBC Women's Auxiliary is able to meet the needs of some students in a personal way.

The Sound Of Distinction

Radio Comes To FWBC

Radio is not a new thing to Fort Wayne Bible College. During the early 1950's a radio program called "Sunrise Chapel" was heard around the world over missionary short wave radio HCJB. Later in 1956 "Crossroads" was broadcast over WOWO, Fort Wayne. It continued into the early 1960's.

In planning Witmer Hall, allowance was made for possible radio broadcasting in the building construction. Now those plans have become a reality as WBCL is on the air daily from six a.m. to midnight. WBCL is Fort Wayne's first and only non-commercial radio station.

The programs are aimed for the total person, giving a variety of good music, news, public affairs, and educational features. The station can be heard up to 65 miles from Fort Wayne. In order to reach far distances the station has erected a broadcasting antenna attached to the tower of WCMX, Fort Wayne.

Mike Heuberger, station manager, formerly worked in Waterloo, Iowa, managing KNWS AM & FM, owned and operated by Northwestern College. Mike Heuberger states, "The goal of WBCL is to broadcast programs that meet the spiritual, economic, educational, and social needs of each of the 400,000 people living in the listening area."

Students From Abroad Add World Perspective

This past year FWBC was privileged to have five students from abroad on campus. The students have come from the two continents of Africa and Asia, giving a different perspective on the things discussed in classes. This has added a new dimension to classroom discussion, helping B.C. students to gain a world perspective.

Spiritual Life

The World Of The Cults And The Occult

Dr. Martin took a different cult each meeting, discussing the errors of the various groups and ways that students could deal with these problems, using the Scriptures as their main weapon.

The Staley Lecture Series hosted Dr. Walter Martin, founder and director of the Christian Research Institute. Acknowledged as the outstanding evangelical authority on psuedo-Christian cults, Dr. Martin has debated some of the most controversial intellects concerning this subject. Dr. Martin warned students of the pitfalls of various cults.

The Christian In The Modern World

The January Spiritual Emphasis week was titled "The Christian in the Modern World" by speaker Ronald Susek. Mr. Susek works for Continental Christian Crusades, Inc. He presently travels around the United States, ministering to others by means of crusades and addresses on high school and college campuses. He also makes appearances on radio and television. Throughout the week, Mr. Susek guided the students into evaluating their views of themselves, God and the world around them. Meetings were held both mornings and evenings, finishing the week Friday morning with the Spiritual Emphasis Chapel.

CHAPELS

Throughout the year various faculty members are given opportunities to speak before the student body. Coach Morley speaks during the Basketball team chapel.

Outside speakers, such as Dr. Clyde Taylor, widen the horizons of students.

Students, like Joe Jacobs, also speak in chapel.

Singing plays an important part of the chapel programs. Jay Platte, Ira Gerig or student directors lead the singing.

Various groups, including the Basketball team perform for the students.

Musical groups besides our own visit the campus. The Sherwood Singers from World Vision were sponsored by SMF for an evening program.

Training For Service And Service In Training

Not only do students concentrate on academics at Fort Wayne Bible College, but also Christian service assignments which play an integral part of the total educational program offered. Assignments allow the students to put into practice the theory of the classroom. The assignments give students opportunity to share their faith as they serve Christ. Positions available are: choir director, song leader, gospel teams, organists, pianists, Sunday school teachers, children's church workers, pastor or assistant pastor, and director of Christian education. Other positions are available at the Children's Home, City Rescue Mission, Salvation Army, State School, Life Line, Campus Crusade, Youth for Christ, Pioneer Girls, and Awana Clubs. Still other students teach Good News Clubs, work at the Evening Mission, or are student advisors. Coaching classes are held throughout the year to help students with problems that they have encountered and offer new ideas on how to accomplish their task.

They can usually be found in this spot after each chapel, waiting for their 11:00 a.m. classes. Other students flock to the bookstore, checking out the latest books, records and supplies, as well as picking up snack items.

What's In A Day?

Breakfasting? Well, for some.

Trying hard to please the supervisor.

Rushing to the mailbox.

Helping one another.

Hurrying up to wait.

Resting after recreation.

Back to the dorm.

Mixing study and bull sessions.

Beautifying the bod.

Getting down to business at last.

Students

It was a windy but sunny day as the seniors walked from the library to Founders.

Commencement 1976: The Torch Is Passed On . . .

When the Olympic Games were held in Berlin in 1936 the bearing of the torch was instituted. A torch was ignited in Olympia, Greece, the sight of the ancient games. It was carried by relays of runners through the intervening countries to the area of the games where the Olympic Flame was lit and continued to burn throughout the duration of the games. The runners keep a steady pace throughout the distance to the stadium, not stopping between the changing of runners but passing on the torch to a fresh runner while still keeping a steady pace. This process would go on till the last runner reached the stadium and ascended the steps to light the flame. In the same way the seniors have been given the torch to carry in the relay, remaining steady in their pacing, not stopping as they go. The running has just begun for these fresh runners, to carry the torch of the Gospel to various parts of the world. The distance is long and the task demanding but these seniors have been equipped with power from on high to complete the relay.

We Happily Receive Congratulations

But We Have A Long Way To Run

The Reverend Ronald C. Scharfe, Associate Professor of Bible and Head Librarian at Fort Wayne Bible College, gave the baccalaureate address.

Dr. Robert C. Baptista, President of Taylor University

With each year comes change. For FWBC this has been a year of change, especially in the Administrative department. Also the Bicentennial celebration has brought along changes. We too experience changes in our own lives as we allow ourselves to grow in Christ. His Word tells us, "And we all, with unveiled face, beholding the glory of the Lord, are being changed into his likeness from one degree of glory to another: for this comes from the Lord who is the Spirit."
